

STUDENTS DEVELOPMENT

GRADUATED COMPETENCIES

JOB CREATORS (Agricultural Entrepreneurship)

JOB SEEKERS (Agricultural Job Seekers)

- o Seedling Corporation Manager
- o Agricultural Mechanization Technician
- o Horticultural/Animal Husbandary/Livestock Feed Agribusiness Manager
- o Agricultural Technopreneur
- o Livestock Breeder
- o Feed Quality Supervisor
- o Livestock Seed Supervisor
- o Veterinary Paramedic
- o Agricultural Quality Control
- o Agricultural Extension/Agricultural Cooperation Technical Service
- o Barista

INTERNATIONALIZATION

(National & International Universities Collaboration, Networking, and Promotion)

- GO INTERNATIONAL VOCATIONAL PROGRAM (PEPI) Agricultural Mechanization Technology, Agricultural Product Technology, Agricultural Water Management Study Programs
- SISTER UNIVERSITIES AND DOUBLE DEGREE PROGRAMS
- STUDENT, LECTURER, AND PROFESSIONAL STAFF EXCHANGES
- NEW BRANDS IMAGES BUILDING
- JOIN RESEARCH, PUBLICATIONS, CONFERENCES. AND WORKSHOPS
- DOMESTIC AND OVERSEA SCHOLARSHIP
- INTERNATIONAL SHORT COURSE/INTERNATIONAL TRAINING
- LECTURER AND STUDENT OVERSEA INTERSHIP
- DOMESTIC AND OVERSEA PROMOTION
- INTERNATIONAL ACCREDITATION

WHY IAEC VOCATIONAL SCHOOLS?

- Scholarship**
Zero tuition fee and free boarding house (at certain years) for selected students. Oversea scholarship opportunities.
- Professional Lecturer**
Professional academics and practitioners lecturer in agricultural and animal husbandary.
- Supporting Facilities**
Library with complete collection of books, various extracurricular activities, leadership, discipline, and attitude education.
- Business Opportunities**
Business development opportunities for alumnus through PWMP and YEES and opportunities to working at industries and business field

LOCATION

STUDY PROGRAMS

BOGOR LIVESTOCK SCHOOL SPECIALIST

- o Sustainable Agricultural Extention (D-IV)
- o Animal Husbandary and Animal Welfare Extention (D-IV)
- o Horticultural Agribusiness (D-IV)
- o Agricultural Mechanization Technology (D-III)
- o Animal Health (D-III)

MALANG LIVESTOCK SCHOOL SPECIALIST

- o Sustainable Agricultural Extention (D-IV)
- o Animal Husbandary and Animal Welfare Extention (D-IV)
- o Animal Husbandary Agribusiness (D-IV)
- o Sugarcane Technology (D-I)
- o Plantation Cultivation (D-IV) *[in process]*
- o Food Engineering (D-IV) *[in process]*
- o Seed Technology (D-IV) *[in process]*

GOWA COCOA SCHOOL TECHNOLOGY

- o Sustainable Agricultural Extention (D-IV)
- o Animal Husbandary and Animal Welfare Extention (D-IV)
- o Horticultural Agronomy (D-III)
- o Livestock Breeder (D-II)

SERPONG

SCHOOL OF AGRICULTURE ENGINEERING *[in process]*

- o Agricultural Mechanization Technology (D-III)
- o Agricultural Water System Management (D-III)
- o Agricultural Product Technology (D-III)

MANOKWARI COCOA SCHOOL TECHNOLOGY

- o Sustainable Agricultural Extention (D-IV)
- o Animal Husbandary and Animal Welfare Extention (D-IV)
- o Plantation Production Technology (D-IV)

YOGYAKARTA - MAGELANG

BIOPHARMACA POLYTECHNIC - LIVESTOCK PRODUCTION TECHNOLOGY

- o Sustainable Agricultural Extention (D-IV)
- o Animal Husbandary and Animal Welfare Extention (D-IV)
- o Horticultural Agribusiness (D-IV)
- o Seed Technology (D-IV)
- o Livestock Feed Technology (D-IV)
- o Livestock Production Technology (D-IV)
- o Ruminantia Feed (D-IV)
- o Final Stock Poultry (D-IV)

MEDAN SCHOOL OF COFFEE

- o Sustainable Agricultural Extention (D-IV)
- o Plantation Precise Extention (D-IV)
- o Plantation Production Technology (D-IV)
- o Coffee Agribusiness (D-III)
- o Coffee Science (D-IV) *[in process]*
